BY THE BOARD:

On January 18, 2001, United Telephone Company of New Jersey, Inc. (Petitioner or United) filed a petition with the Board of Public Utilities (Board) to revise and standardize Custom Calling Services and Network Services Packaging.

This filing changes the name of five Custom Calling Services and one Network Service Package. In addition it makes several minor changes to clarify the provision of SignalRing and Call Trace. Finally, United is changing the term "hookflash" to "Switchhook" wherever it occurs.

These changes are part of an ongoing effort to simplify and standardize the tariffs. No rates or functionalities are affected.

The Board therefore FINDS that Petitioner's request should be granted and HEREBY APPROVES Petitioner's request.
